- UX Research
- Interaction Design
- Wire-framing
- Prototyping
- User Testing
- A/B Testing
- Accessibility
- Typography & Color Theory
- AI-Assisted Design
- AI-Powered Design Workflows

Tools:

- Figma
- Adobe XD
- Adobe InDesign
- Adobe Photoshop
- Adobe Illustrator
- WordPress

LANGUAGE

- English
- Hindi (Native)

PROFILE

UI/UX Designer with 4+ years of experience crafting intuitive web and mobile experiences. Skilled in wireframing, prototyping, interaction design, visual design, and AI-assisted design workflows, with a strong focus on usability and meaningful user experiences

WORK EXPERIENCE

Grantigo

Jan 2026 - May 2026

UI/UX Design Intern

- Designed and implemented user-centered website interfaces in WordPress to improve usability and responsiveness.
- Created intuitive user flows, layouts, and landing pages to enhance engagement and accessibility.
- Used AI tools to accelerate ideation, generate content concepts, streamline design workflows, and support user-focused design decisions.
- Translated wireframes and UX concepts into responsive web experiences with strong visual hierarchy.

Pryvx

Jan 2025 - May 2025

UI/UX Design Intern

- Leading UI improvements for the dashboard and collaboration room, focusing on clarity, responsiveness, and seamless interaction flows.
- Conducting UI/UX audits, gathering user feedback, and identifying friction points to inform design decisions.
- Creating wireframes, high-fidelity mockups, and interactive prototypes in Figma, aligning with both business goals and user needs.
- Enhancing the visual hierarchy and consistency across components by contributing to and evolving the Pryvx design system.
- Collaborating closely with developers and the product team to ensure pixel-perfect implementation and a smooth hand-off process.

CHEMX

Feb 2024 - Aug 2024

UI/UX Design Intern

- Redesigned onboarding flow for the CHEMX app, reducing onboarding time by 30%.
- Created wireframes, user flows, and scalable design systems in Figma.
- Collaborated with product teams to improve UX and visual consistency

Banyanbrain Digital

June 2019 - Dec 2021

Designer

- Led end-to-end UI/UX design projects for responsive websites and mobile applications, from research and wireframing to final visual design and developer handoff.
- Conducted user research, usability testing, and competitor analysis to identify pain points and improve user experiences.
- Created wireframes, user flows, high-fidelity prototypes, and design systems while using AI-assisted design tools to streamline ideation and design workflows.
- Collaborated closely with clients and developers to deliver pixel-perfect, responsive, and user-centered digital experiences.
